*Each item is an individual hand-crafted design based around a specific crystal. The significance of the crystal can be found on the product page that you are viewing.*

*Commonalities exist with all products in that they are guaranteed to be free of manufacturing faults and are securely set in 925 Stirling Silver.*

*Jewellery is very much a personal choice. Colour, luminance, brightness, and lustre of a particular crystal will vary with the personality of the wearer. Images of our items were taken at high resolution in natural light to best reflect the item in its natural state.*
